

## Cubicle USPs

### Unity - 35mm MFC, HPL, ColourCoat and Gloss

**Floor clearance:** 50mm

**Ceiling clearance:** 20mm minimum

**Material thickness:** 35mm fronts and 18mm partitions

#### Overview:

- Set back pedestals give a floating appearance and keep the cubicle façade clear, minimal and easy to clean
- Flush fronted, simple appearance with clean lines for a minimal look
- Rebated doors and pilasters eliminate sight lines and ensure absolute privacy
- Economical flush cubicle
- Bespoke heights available to suit ceiling height and give flexibility
- Flip-action indicator bolt -
  - Gives a satisfying locking action
  - Can be operated with a closed fist
  - Has a clear red indicator when cubicle is engaged
  - Can be unlocked from the outside in an emergency
- Self-closing rise and fall butt hinges allow the door to fall into a closed position maintaining the flush fronted appearance when cubicles are not in use

#### Fittings:

##### Satin Anodised Aluminium Fittings -

- Bright and clean contemporary look
- Easy to clean
- Scratch resistant
- Will not show finger prints

#### Partition Wall Fixing:

##### Satin Anodised Aluminium U-Channels -

- Shaped rear face accommodates countersunk screws
- Accommodates site tolerance
- Seen surface is plain to complement the minimal look
- Surface is easy to clean and will not show finger prints
- Allows complete privacy
- Conceals the edge of the partition meaning the partition can be trimmed if necessary
- Supplied with anti-tamper security screws

#### Pilaster Wall Fixing:

##### Satin Anodised Aluminium E-Channels -

- Provides a solid fixing
- Accommodates site tolerance
- Easy to clean
- Minimal appearance does not interrupt the cubicle façade
- Allows complete privacy
- Conceals the edge of the pilaster meaning the pilaster can be trimmed if necessary

#### Partition Floor Fixing:

##### Satin Anodised Aluminium Pedestals -

- Set back on partitions to give a floating appearance and keep the fronts clear and minimal
- Adjustable to accommodate uneven floors

#### Headrail:

##### Satin Anodised Aluminium Headrail -

- Unique 3 part headrail
- Allows cubicle to be fixed only 20mm from the ceiling
- Clip-in cover extrusion conceals fixings meaning they cannot be tampered with
- Cover extrusion hides all internal fixings giving the impression that the headrail is one part, keeping the neat appearance
- The square face complements Unity's minimal façade
